# HOW DOES IT WORK?

- A parking service in which you book a parking space before arriving at the location.
- reserve your car park on demand in selected locations.
- claim parking bay within the allocated time
- The gate barrier to the parking lot unlocks by scanning your car's number plate.

# WHY PARK AWAY?

- reduce time spent on searching for a parking spot.
- increase efficiency in getting a parking bay
- systematic parking increases overall value of customer satisfaction
- It's no longer a hassle to park!
