

# EZ GROCER

GROCERY SHOPPING MADE EASY

# PROBLEM STATEMENT

- Customers losing track of their groceries
- Customers spending a lot of time for grocery shopping

## WHAT IS IN THE APP

- The app also allow users to keep track of their groceries
- Predict the best shopping date so users can buy all their needs in one go
- OCI API to capture receipts

## HOW TO SOLVE USING THE API

- Use API to detect the crowd of a store
- Lead crowd to less crowded store
