Challenges that people usually faced
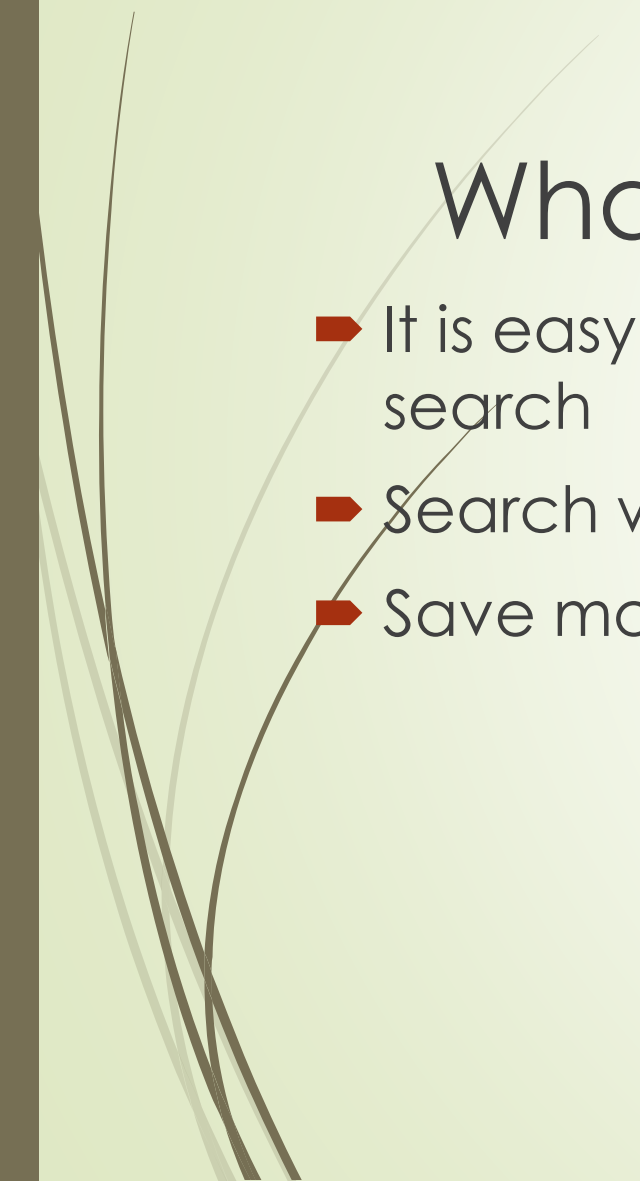

- People sucks at describing something
- Waste a lot of time searching for something

What is Fansee?

- Fansee is a web application
- Search the best price for your desire clothes
- Simply search your clothes by just dragging and dropping
- Direct you to sellers from different e-commerce companies

What makes Fansee so unique?

- It is easy to search, even when you don't know WHAT to search
- Search with pictures instead
- Save money and time

END
THANK YOU
